Dear Mr. Blake,

**INFORMATION SOUGHT: AIR NIUGINI'S DASHBOARD KEY PERFORMANCE INDICATORS**

I make reference to the above matter.

As you would be aware, the Independent Consumer and Competition Commission (the Commission) is currently assessing Air Niugini's application for authorization to enter into and give effect to code-share arrangements with Qantas Airways and Philippines Airlines on the Port Moresby/Cairns sector and Port Moresby/Manila sector, respectively.

To assist its assessment, the Commission would appreciate it if IPBC could furnish the Dashboard Key Performance Indicators for Air Niugini for the entire period such data has been collated, which the Commission understands IPBC has been collating such information for the State owned Enterprises under its control.

This information is sought pursuant to sections 6(e) and 128(1) of the *Independent Consumer and Competition Commission Act 2002* (the ICCA Act), copies of which are attached for your information.

The Commission would appreciate it if the requested information is provided by **13 January 2011**.

Please take note that a copy of your response will be placed on the public register and website unless a request for confidentiality is made, although all such requests are not necessarily granted. Section 131 of the ICCA Act governs confidentiality arrangements, a copy of which is attached.

If you have any queries relating to the above matter, please do not hesitate to contact Mr. Bob A Lowi – Acting Chief Markets and Trade Analyst of the Competitive Markets and Fair Trade Division on the above address.

Yours sincerely,

**Assoc. Prof. Billy Manoka, (PhD)**
