**Note**

Where a range is shown, this reflects the latest advice received of the freight charges that apply to these locations. Where the Commission has been advised of more than one freight rate, it has incorporated the rate into a range for the final retail price.

It has come to the attention of the Commission that some service stations have been delaying changing prices to conform with this notice. The Commission is closely monitoring service stations to ensure that there is no delay in adjusting pump prices to conform with this notice. The Prices Regulation Act under which this maximum price is determined provides for substantial penalties if pump prices are not changed in terms of this notice. Please bring this information to the attention of retailers.
